"One Hundred Years ago in 1911, the Sisters of St. Joseph opened a school for lay nurses, and St. Joseph's School of Nursing was born. To commemorate this event, the St. Joseph's School of Nursing Alumnae Association challenges all graduates up to 1978 to participate in the 2011 Around the Bay Road Race. As student nurses, we always went that extra mile for St. Joe's; and now, years later, as grads, we are still willing to go that extra mile, literally."
