The Alumnae Memory Book was written in 2015, celebrating the 100th Anniversary of the St Joseph School of Nursing Alumnae Association

The book is dedicated to the Congregation of the Sisters of St Joseph, Hamilton Ontario who had the vision to create our school and the collective patience to preserve it.

Their commitment created a school which was a unique, modern, and a respected learning institution.

Even today with our school no longer in existence our graduates gather to reflect and appreciate that which was given to us as Alumnae of St. Joseph's School of Nursing, Hamilton, Ontario.
