FROM OUR PRESIDENT

Happy New Year Everyone! I hope everyone is settling into the New Year now that Christmas is over for another year. Your alumnae executive is planning for another successful year. This past fall we have said goodbye to two valued members of our executive, Mary Cino '58, Newsletter Dispatcher and Mary Taborek '63, Mass Coordinator. These two served the Alumnae well and we wish them success and well being for the future. Cheryl Gravelin McQueen '66 has moved into the role of Past President after serving many years as president and Newsletter Editor. Rose Dzugan '68 is Vice President and continues as Raffle/Door Prize Coordinator.

As we say goodbye to executive members, I am pleased to say that the Alumnae have come forward to fill vacant roles and enable some executive members to now be responsible for just one role. I would like to introduce our new members: Judy Sherman Cleary '67 assumes the role of Mass Coordinator; Linda Bogoslawski Lipsitt '72 is our Newsletter Editor and Pat O'Neill '74 is now our Treasurer. Please see the attached flyer with the list of the current executive and contact information. Our archivists, Janina Muta Berenyi '65 and Connie Beamer Prowse '69 continue to discover new treasures from the past and are currently working on how to properly preserve the items that document our history as St. Joseph's Hospital School of Nursing

Please visit our website at www.sjsnaa.com Work continues to update the site. This fall the focus has been to find the missing graduation photos, make a copy from the composite, crop the picture, add the name and upload them to the "Gallery". This is a time-consuming task, but one we are determined to complete with the assistance of Barbara Molata Boles-Davis '66 and her camera. We have added 13 years of missing classes from 1915 to 1939. Where there are years with no pictures to be found, a list of names and the school emblem has been added to the Gallery. We are currently working on finding the classes of 1975 through 1978.

I hope you are all looking forward to 2019. I am looking forward to seeing you at the Reunion Luncheon in May. Our luncheon coordinators are getting prepared to organize another

successful luncheon. In addition, I am looking forward to reconnecting with my classmates as 2019 is our 50th celebration! Be well!

Your President Kristine Brock-Rogers '69

Kathy Jackson '73 and Teresa Maas '74 are the Luncheon Coordinators and they ask that the organizers of the special anniversary years be in touch so that they can assist you in any way they can.

There is also a call out for VOLUNTEERS to assist on the Reunion Day. Your help is invaluable!! Your reward is "Thank you so much for sharing and making this day a great success!"

Please contact Kathy or Teresa at sjsnaareunion@gmail.com

April 2019

Dear Nursing Colleagues

This April Newsletter contains information regarding the ANNUAL REUNION DAY MASS and LUNCHEON. Included is the Poster/Flyer with the DATE, TIMES, and LOCATION. As usual there will be the 50/50 DRAW, DOOR PRIZES, and RAFFLE. TICKETS for all will be available for PURCHASE after Mass in the LUNCHEON ROOM. As well this year, there will be an Archival Display from our School of Nursing. As in the past, MANY VOLUNTEERS are required. If you can LEND A HAND on Reunion Day, please contact Kathy Jackson '73 at sjsnaareunion@gmail.com. Your time and effort will be greatly appreciated as it takes many hands to make things run smoothly.

From Our President

The Alumnae has lost one of our greatest supporters this past December when Sister Virginia Hanlon passed away. Sister Virginia was not only a dedicated educator in the School of Nursing, She was also the Sister Liaison with the Alumnae Executive. She will be missed. It has been a long cold Winter and finally the promise of Spring is here! The coming of Spring means the Executive is busy planning for this year's Annual Mass, Luncheon and General Meeting occurring on Thursday May 23rd. This reunion year, we have eleven members receiving their honorary pins for 25 years of continuous Alumnae Membership. This year, four of the executive members are celebrating special reunions. This means more volunteers are needed so those of us celebrating our 50 and 45 years can spend some time with classmates, as well as carry on our responsibilities. If you would like to volunteer to assist on May 23rd, please contact Kathy Jackson '73 at sjsnaareunion@gmail.com. A great thank you to those of you who do volunteer. The Spring is also a great time to renew your membership. We have 490 members to date. Our new executive members are settling in to their new-roles and bringing new ideas and perspectives to keep us dynamic. There is ongoing work with the archives, revealing more of the richness of our history as a School of Nursing and Alumnae. Our archivists are constantly recording this information. The photo gallery requires the last four years of graduates to be added (75, 76, 77, 78) plus three graduates from the class of '66. Photos are in the process of being taken from the composite pictures and once this is completed, the individual pictures will be loaded to the gallery. This is time consuming work but well worth the effort! Looking forward to seeing you all on May 23rd. Be well and be safe!

Your President Kristine Brock Rogers '69

Dear Nursing Colleagues

Hard to believe the Summer of 2019 is over and that it is time for the October Newsletter! This Newsletter contains a lot of information from the Annual Reunion Day Mass and Luncheon which took place last May 23rd, 2019. In this edition, you will notice class pictures of those classes celebrating special anniversaries and some pictures of the activities that took place on that fun day! Also please check out our website www.sjsnaa.com. Just to remind everyone that, as well as this day is a day of Reunion, it is also our Annual General Meeting.

Kathy Jackson '73 and Teresa Maas '74, our Luncheon Coordinators and all of the Alumnae Executive would like to express a huge THANK YOU to all of those who volunteered to make that day a success!

Also we would like to acknowledge Jeannine Giavedoni (Heil '65) and St. Margaret Mary Parish in Hamilton for the organization and use of the Mass essentials that Jeannine brings to the celebration. Also Judy Cleary '67, Mass Coordinator, extends her thanks for your help before and during the mass.

And how fortunate are we to see attendees at our Reunion Day from many of the earlier graduating classes. To name a few attendees: Marjorie Almas Tregunno '43 (celebrating 76 years), Eileen Hunter '47 (celebrating 72 years), Jane Simpson O'Brien '49 and Alva Greenslade Charter '49, who were celebrating their 70th Year Anniversary!!!

From Our President

Greetings everyone. May 23rd, 2019 was another successful AGM and Reunion Day. Thank you to all who made the day a success!

The summer is over and great changes have occurred within the Alumnae. The Mother House in Dundas has been sold and the Nursing Sisters living there have had to move. Three Sisters have moved to the convent in London and others are remaining in the area. Janina Berenyi, our Sister liaison, will continue to be our direct link with the Sisters.

Cheryl Gravelin McQueen '66, our most dedicated Alumnae member and leader, passed away August 14, 2019. Her kindness, leadership and wisdom will be greatly missed by all who knew her and worked with her on the Alumnae Executive. This newsletter contains a tribute dedicated to Cheryl and her many contributions. Your Executive is busy planning for this next year's activities. The work on getting the remaining class photos in the gallery continues. Our web maintenance company will load the remaining four classes once all the photos are available. Enjoy everyone and please take care!

Cheryl Gravelin McQueen '66

Cheryl was born on May 23, 1944 in Flin Flon Manitoba. Her family moved to Hamilton Ontario where she attended Cathedral Girls High School. She then entered St Joseph's School of Nursing and graduated with the Class of 1966.

After graduation she worked in Hemodialysis under Dr Art Shimizu and Head Nurse Marianne Stepanik '63. In early 1968, she moved to the Canadian Arctic and worked in two nursing stations, Tuktoyaktuk and Fort Franklin, in conjunction with her position as Head Nurse of Pediatrics at Inuvik General Hospital, Inuvik, N.W.T.

While in the Arctic, she survived a plane crash. Three years later, she went to Europe and worked for a short time in the Clinica Mediterranea in Naples, Italy.

She returned to Canada, worked at Soldiers' Memorial Hospital, in Orillia, the Hamilton Psychiatric Hospital, in Hamilton, and at McMaster University

Medical Centre, in the Emergency Room.

She met and married Nairn McQueen, a Chemical Engineer, and shortly afterwards moved to Saskatoon, Saskatchewan. There she worked in ICU, CCU and ER both at Saskatoon City Hospital and the University Hospital.

In 1986 she returned to the Hamilton area where she worked as a Nurse and as a Coordinator of Education at St. Joseph's Villa, Dundas. In September 1988, the Sisters of St Joseph (Sister Ann Marshall's Council) approached her and asked if she would head a pilot project to assess and determine the needs of the bereaved in the Hamilton area.

Over the next 7 years, she developed bereavement programs in parishes, communities, funeral homes, federal penitentiaries and Indian Reserves throughout Canada. During this time, she enrolled in Theology at the University of Toronto and studied under Dr. Alan Wolfelt, Theologian at the Center for Loss and Life Transition in Colorado. Cheryl trained in Crisis Intervention for Schools and Colleges in Washington D.C. She received her Master of Arts in Ministry and Spirituality degree in November 1995.

In 1993, she branched out on her own and established Bereavement Services Support and Education, a professional organization that provided grief counselling to the bereaved. Within a short time and with sixteen qualified facilitators on staff, she established a website, www.bereavement.net, to help with the demand for this service. She created manuals used in bereavement groups and also authored four grief books.

She has also established Coping with Grief and Loss, a weekly educational discussion

series, for Cattel, Eaton & Chambers Funeral Home in Dundas and for R.H.B.

Anderson Funeral Home Ltd. in Hagersville, Fisherville and Ohsweken.

Cheryl was a proud member of St. Joseph's School of Nursing Alumnae Association, where she served many roles. She became Newsletter Editor in 2002 and held that position until October 2018. From 2003-2004, she served as Vice President and in 2005 she assumed the role of President and remained in that position until September 2018. During this time, 2006-2007, she served as the Website Coordinator, when our Alumnae website was established. Cheryl became Past President in September 2018.

Cheryl was proud mother to two sons and grandmother of four. She loved travelling the world with Nairn, and together they travelled to more than 60 countries. She enjoyed monthly lunches with her friends, scrapbooking and brunches with her grandchildren. She was an avid baker, poetess and a fan of the Toronto Blue Jays. She was a gracious and loving hostess. Sadly, Cheryl passed away peacefully on August 14, 2019, surrounded by her loving family. She is missed!

Toast To The Alma Mater by Karen Wilson Martin '69

Nursing education at St. Joseph's Hospital occurred between 1911 and 1978 with the first graduation being held in 1915. Our last graduation was in 1978. That was 41 years ago!
Today, we have 335 attending our annual reunion day luncheon, with graduates from Canada, the United States and Australia and classes representing a span of 35 years (1943-1978) Did I say that we have not had a graduate since 1978? Isn't this amazing? it is a tribute to each of you!

I was wondering about this while I was looking at some photos of our (1969) graduation. There was a photo of Sister Grace Stevens '34 (Administrator of St. Joseph's Hospital), Sister Joan O'Sullivan '43 (Director of Nursing Service, St. Joseph's Hospital) and Sister Ann Marshall '56 (Director of St. Joseph's School of Nursing). I began to think of the **people** who made a difference to us as students at St. Joseph's School of Nursing and later as graduates. Many of our faculty were St. Joseph's grads (think of all those who were involved in your nursing education) such as Sister Virginia Hanlon '45, Isabel Kerr '60, Betty McInnes '53, Marie Yakimoff '54 and many more. Consider those grads who were in charge of nursing units or who mentored us, such as Ivy Hart '40, Donna Gravis '46, Eva Staneff '51, Judy Skarrett '62 and many more. Consider other nurses who influenced your development and performance as a nurse. As graduates, remember those you met and continue to meet at the Annual Reunion Day Mass and Dinner/Luncheon.

During our time at St. Joseph's, we were started on the road of discovery as to who we were and what we would become. The experiences and relationships with the Sisters of St. Joseph's, our educators, classmates, patients (now clients), all of these would help to define our existence both then and now. In short it molded us into what we would become. To paraphrase Sir Isaac Newton - ***If we have been successful in this life, this career, it has been by standing upon the shoulders of giants*** (our faculty and all those nursing graduates who preceded us).

I would ask you to stand, if you are able, to toast our Alma Mater.
"To St. Joseph's School of Nursing!"
