. Christmas 1946

Junior students at St. Joseph's School of Nursing entertained the staff on the evening of December 21st. Residence was beautifully decorated befitting the season. Santa had stored many parcels beneath the large Christmas tree.

At the conclusion of the program of song and dance, the 32 new students entered the lecture room carrying lighted red candles singing Silent Night, Holy Night and Adeste Fidelis.

Still holding their candles the class in unison recited the Nightingale Pledge.

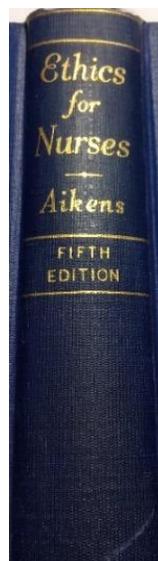

The most coveted gift of all, the cap of St Joseph's School of Nursing was presented and placed on the head of each young aspirant to the Nursing profession by Reverend Mother Antoinette, Superior General of the Sisters of St Joseph.

Jingle bells then brought Santa who distributed gifts to all. The hostesses of the evening were the graduating class of 1946. Refreshments were served and dancing followed.

Sunday December 23rd the C.Y.O. Glee Club went ward to ward singing Christmas Carols to the patients. On Christmas morning, the student nurses sang Christmas Carols to the patients.

December 27th the annual Christmas Dance for the staff and students was held in the auditorium of the School of Nursing under convenership of Miss Edith Masecar '46

A day off duty during the week was arranged for each student.

Christmas Season at St. Joseph's Hospital

The Christmas season opened at St. Joseph's School of Nursing, Hamilton, in a most delightful manner, by the preliminary students entertaining the staff the evening of December 21st.

The residence was beautifully decorated as befitting the season and Santa had stored a great many parcels beneath the large Christmas tree.

At the conclusion of the programme of song and dance, the thirty-two new students entered the lecture room carrying lighted red candles singing Silent Night, Holy Night and Adeste Fidelis. It was an inspiring picture and made one feel very close to the Holy Babe in the Manger.

Still holding their lighted candles the class in unison recited the Nightingale pledge and the most coveted gift of all, the cap of St. Joseph's School of Nursing, was presented, and placed on the head of each young aspirant to the Nursing profession by Reverend Mother Antoinette, Superior General of the Sisters of St. Joseph.

Jingle Bells then brought the man from the North Pole, who distributed gifts to all. The hostesses of the evening were the graduating class of 1946. Refreshments were served and dancing followed.

On Sunday, December 23, the patients were given a real treat—the singing of Christmas Carols from ward to ward—by the C.Y.O. Glee Club, under the leadership of Mr. D. Farr. Likewise on Christmas morning the student nurses carried on the spirit by singing carols.

On December 27th, the Annual Christmas Dance for the staff and students was held in the auditorium of the School under the convenership of Miss Edith Masecar assisted by her committee.

A day off duty during the week, was arranged for each student, which gave them ample time to

New system of piping oxygen was put into operation yesterday at St. Joseph's Hospital, Hamilton. The system will pipe oxygen to the patient's bed, eliminating need for transporting tanks along hall. Ease of supplying oxygen to patient is demonstrated by nurse Mary, Boughner while student nurse Teresa Latcham attends patient.

Dear Nellie and Rennie:

It was so good to talk with you when I was in Ottawa, and to have a report of your annual St. Joseph's get-together.

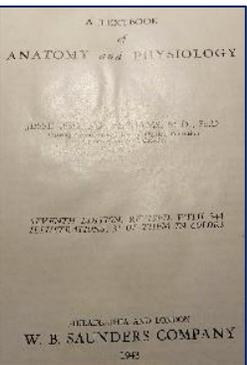

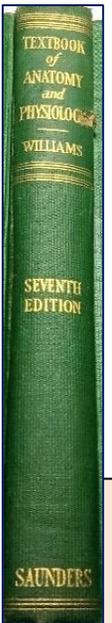

In response to your request for something for the "Window of Fame," I am sending a photo of Marie, taken at graduation. It does not have to be returned. I have also sent a cartoon drawn by the then manager of the Beaver Lumber Store in Loon Lake. Today this would not be considered Politically Correct. The village was right on the edge and partly surrounded by an Indian Reserve and another was not far away. A lot of Native babies were brought into the world when Marie was Matron of the Red Cross Outpost Hospital. Of course the facilities were not like in the City but it was not quite as primitive as shown. Our little village could appear rather desolate, specially in the middle of a cold Northern Saskatchewan winter. It could be a culture shock for a new nurse from Ontario. Everyone was friendly and hospitable and Marie fitted in very soon. Then she found ME!!!!

Once again the summer is going by too fast. I hope you are both well and that Renne's Air Show was a success.

Best wishes:
W. O. Osg

RAFFLE

The Mary Lepinskie Library is a designated area in the Hospital Library, established several years ago to provide nursing texts and resources. The funds for purchasing texts and resources were bequeathed to honour Miss Mary Lepinskie, a former Director of Nursing who died suddenly, while in this position. Each year, the Mary Lepinskie Library Committee utilizes the interest from the original trust fund to purchase new books and resources.

With the ever-increasing rise in costs of texts and resources, the amount available to purchase new books depleted rapidly this year. In an effort to ensure that we could continue to stock new references and resources, the Committee took on a fund-raising event, in the form of a raffle.

Raffle tickets were sold by all Head Nurses, Nursing Coordinators, Assistant Directors of Nursing, Clinical Nurse Specialists and Nurse Educators. As well, members of this group sold tickets outside the Cafeteria, during peak hours, the week prior to the draw.

On Friday, October 23, 1987, Miss M.L. Peart, Chairperson of the Mary Lepinskie Library Committee, drew the following names for each designated prize:

Microwave: Rose Zaveralla
4 Psychiatry

Microwave Dishes: Donna Patterson
Carlisle, Ontario

Silk Flower Arrangement: Hazel Brewster
1 Maternity

Original Etching: Ken Embree
5 Surgical East

The Committee would like to thank all Head Nurses, Nursing Coordinators, Assistant Directors of Nursing, Clinical Nurse Specialists and Nurse Educators for their efforts in making this a successful fund-raising event. We would also like to thank all those who bought tickets and offered their support to this project.

It is anticipated that over one thousand dollars (\$1,000.00) will be available to purchase new nursing books and resources, as a result of the raffle.

Pictured above are the Members of the Mary Lepinskie Library Committee: Left to Right: Miss Ray Elyth, Head Nurse, Continuing Care; Miss M.L. Peart, Assistant Executive Director, Nursing; Miss Faye Stephenson, Nurse Educator, Maternity; Mrs. Sheila Rogers, Hospital Librarian; Mrs. Esther Green, Assistant Director of Nursing.
