## JUNIORS 1971

'Twas the seventeenth of October  
 And all through St. Joe's  
 Not a patient was stirring,  
 Not even the pros.

The rooms were all decked  
 With clean linen by care,  
 In hope that the juniors  
 Soon would be there.

The nurses and doctors  
 Cleared out with this warning,  
 The Intermediates looked on  
 As if to be scorning.

When who should appear  
 On each ward with a fright,  
 But a group of us probies  
 Bubbling over in white.

No bells on our fingers,  
 No rings on our toes,  
 Just the essentials  
 Must be worn at St. Joe's.

At last to a room  
 We each got assigned,  
 Complete with a patient  
 Probably warned by this time!

For an hour we stood  
 At the foot of a bed,  
 Rehearsing a speech  
 Till we were near dead,

But the patients were kind  
 And knowing our plight  
 They laughed and they joked,  
 So we did--despite.

By the end of the morning  
 We were relieved to depart,  
 But to get back to that ward  
 Was--in each junior's heart!

This was the day  
 And it can't be undone,  
 The biggest for the Juniors  
 Of nineteen seventy one.

## CLASS SONG OF 1971

71's our year and we're proud to say  
We're gonna succeed, you bet, all the way.  
Though it's rough,  
We will show them how we're tough!  
St. Joseph's nurses of today.

71's our year and we hope to be  
The very best St. Joe's class you'll see!  
"Knowing Thyself" 's our aim  
For we all are not the same  
Here we are the greatest class by far!

Undermount, up at dawn, and lights go on  
Half awake, half asleep, stumbling to the JOHN  
Down the stairs, eat by eight  
Now please be sure not to be late  
Saturday here will be your fate!

Armed with drawsheets, bedpans and urinals,  
Sphygmomenometers, stethoscopes.  
We'll give the greatest care  
Patients please beware  
Here we come the class of 71!

71's our year and we're proud to say  
We're gonna succeed, you bet, all the way!  
Though it's rough  
We will show them how we're tough  
St. Joseph's nurses of today!

## Blue Bands

We were assembled in the N.I. room, prepared for a "discussion" on the topic of Personal Appearance, or so we thought. Step by step, Sister Assunta and the teachers went over us from head to toe, and very strangely, Sister kept mentioning yellow bands (a Freudian slip there). After we had been made to feel like the sloppiest group ever to hit St. Joe's, Sister Maris Stella popped on to the stage with what we thought was a dressing tray. But — AHA! To our surprise — it was our **BLUE BANDS!** Sneaky, sneaky, Sister. Well, it was a wonder the blastings on the mountain weren't finished sooner because the screams were heard for miles. Laughter, screams, and a few tears combined to make the Intermediates Blue Band Day one of the fondest memories of St. Joe's.

But this year they've got me  
Now I'm in a fix -  
Two doors down from 236.*

*The halls now are safe

I've had to shelf  
All my practical jokes.  
This time it is only  
My alarm clock that ticks -

First set me agog -  
They come to check on me

But Buster won't hurt me

*I have to be good  
But I really don't care  
My acts are subdued  
But the spirit's still there.

**Highlighting Carolyn Carter Sams '71A**

What have I been up to since our 5th reunion when I last saw all of you? I married Michael Sams, from Waterdown, Ont in 1979 and have lived in B.C. since then. We have a wonderful son Ben (35). I worked in clinical practice and as an admin supervisor at St. Paul's Hospital in Vancouver, was Executive Director of the College of Licensed Practical Nurses (R.N.A.'s) of B.C. and built that Regulatory College with my team. I travelled the province and across Canada re: nursing issues, presented internationally in London, England and Copenhagen, Denmark on Continuing Competency Research and Development (the former in partnership with the Australian Nursing Council). I then started my consulting firm "Quantum Leadership Inc" and consulted with B.C. Ministries, organizations, hospitals and other regulatory organizations on leadership and organizational change/strategic planning projects. Somewhere in there, I also completed my B.S.N. and Masters in Health Sciences Leadership. I was also faculty and programme Chair at Douglas College 4-year B.S.B. programme. I travelled to Africa regarding a feasibility study to take students to Masaka Uganda (fabulous eye-opener). I eventually retired in 2010 to our home in Mexico, but came back part-time to teach Communications and Professional Ethics/legalities practice at B.C.I.T B.S.N. Programme in 2013. Michael and I went back and forth to Mexico for a year or so and now teach part-time in Community Health Theory on line for B.C.I.T.

I live now on Gabriola Island in B.C. Michael and I opened "Island Vintage Studio" last fall which is a shabby Chic/Frenchy-country/farmhouse-decor-sort-of-place. Michael builds barnboard furniture and coat-racks, etc. and distresses antiques and things. I knit for the Christmas craft fairs here: funky scarves, cowls, hats, purses (knitted and leather)and in the summer for the market I sew bohemian style clothing and stuff. Some of that is from upcycled materials and some is new but I do use antique laces and fabrics.

I volunteer at the elementary school teaching grade 3 knitting class and am on the Board of our local thrift/ recycling depot. Michael cooks at the free lunch kitchen and makes the free lunch at the school on occasion. We are in the process of building an "edible forest" approach to our gardens which are developed with permaculture and sustainability thoughts in mind. Ben is doing most of that and I am out hugging the trees to make sure they don't take too many down as they "terrace" the gardens!

Flowers in with trees and interspersed with vegetables...worrying about obtaining enough ladybugs to enhance the plants and planting flowers that attract bees to pollinate....who would have thought?

And, all of this in a way that the beautiful deer which we love and that are daily in our yard, do not graze everything away! Ben makes delicious breads such as cornbread and will be selling it as well as his "seashell on Douglas Fir" plants and likely some of the vags, as we will not possibly be able to eat all that they have planted.

We still have our house in Mexico near Puerto Vallarta, although we rent it out a bit and it is now on the market. We dream of Spain.

1970 Vox Ominum

Luba Komar and Jackie Wade, 1971A, were the co editors for the 1970 Vox Omnium Yearbook and the theme chosen for it was "Gentle Hands". The red hard cover with gold embossing of the school crest, year, and title also has five golden lines to represent the five digits on a hand.

Charlene Pettigrew 1971 A, designed the front and back linings depicting in the left top corner on the left side, a picture of Christ extending His power of Healing Hands, the bottom left picture on the left side depicting a patient reaching out a hand requiring help and the right hand side page are two different nurses where one in a cap is extending her hand and the other nurse dressed in scrubs is holding a new born baby.

All four characters are extending hands that meet together representing the Gentle Hands of the theme.

The picture of a nurse - if printed would be centered on her hands. The gentle hands that work and care for others that show the love that people need. They are the nurse and only through molding and carving can these hands be perfected. They are the nurse. The theme of this year's yearbook is gentle hands and in choosing the theme, the following poem best describes what a nurse is . . . . .

A nurse is many things:  
She's firm but Gentle Hands,  
And a smile  
that tells each patient  
She cares and understands --  
She is a dedicated heart,  
Eyes watchful through the night,  
A voice to comfort and assure  
That all will soon be right --  
A nurse is knowledge shining  
With a ray of hope for all,  
Blessed with talent and with courage  
To respond to duty's call.

### "The Need For Hope"

As a student nurse of today one is constantly faced with the need for hope - hope for life, survival, a nurse's cap, a year pin, a black band, and lastly GRADUATION.

Hope for life and survival face us each day as we care for our patients. It is also seen glowing from the eyes of the Sisters and Guatemalan people to whom we dedicate our yearbook. Through the efforts of many life now has meaning and hope for them.

It is we the student nurses who look with hope to the future as we await our caps, year pins, and black bands. These are the milestones which tell us that our goal will soon be reached — GRADUATION.

Hope has a special meaning for all of us. But - it is an indispensable ingredient of our daily life.

## St. Joseph's to graduate two classes

The St. Joseph's School of Nursing will be graduating two classes this year, one on June 11 and the second on July 23.

A second graduation is needed this year because the school now offers only a two-year course. Nurses from this course will graduate in July.

In the past, St. Joseph's offered only a two-plus one course, the third year being an internship year. The last of the three-year course will graduate this month. A young man, Jim Shipley, is among the 98 interns graduating June 11.

The graduates will host a

graduation banquet at the Holiday Inn, today for their parents. Miss Helen Van Belois and Miss Jacqueline Wade jointly chaired this event. Following the banquet the company will go to Fontbonne Hall for a tour of the residence and a wine and cheese party convened by Mrs. Margaret Sones.

On Sunday, a mother and daughter tea will be hosted by the alumnae of St. Joseph's School of Nursing, at Fontbonne Hall, 2 to 4 p.m. Miss Isabel Kerr is convenor.

The graduation exercises will be held in the Mohawk College auditorium, Friday June 11 at 2 p.m. The graduation will be chaired by Dr.

S. E. O'Brien, chairman of the board of directors of St. Joseph's School of Nursing. Speaker will be Dr. William M. Goldberg.

Miss Janet Blackett, assisted by Miss Marnie Best, are convenors of the graduation dance, to be held at the Estaminet, in Burlington, Saturday, June 12.

*"So may you grow in joy, in faith in God, and in man, and in those qualities of vision and of the spirit that will sustain us all and give us new hope for the future."*

REVISED CLASS SONG OF 1971 for 10 YEAR REUNION

71's our year and we're back to say  
We're celebrating TEN YEARS TODAY!  
It's been rough  
But we're here to say we're tough  
St. Joseph's nurses of today.

**10 year Reunion  
1981**

81's now here and we proudly say  
We're the BEST St. Joe's class toady!  
"Knowing Thyself" 's still the aim  
For we all are not the same  
Here we are, the greatest class by far!

Sister Joan, now is top and school is past  
Residence, memories, going all too fast  
Some have gone, some have stayed  
But we know our mark we've made  
In nursing to reach our first DECADE!

Armed now with computer, research and monitors,  
Electric thermometers, data sheets.  
Still it's our care  
Patients still beware!  
Here we come, the class of 71!

71's our year and we're back to STAY  
'Cause it's been success, you bet, all the way!  
TEN'S our mark  
Instead of Undermount, we'll PARK!  
St. Joseph's nurses of today!

A Gift of Gratitude to Jim Shipley '71A  
 from  
 St. Joseph's School of Nursing Alumnae Association  
 by  
 Cheryl Gravelin McQueen '66

"For many many years, Jim has annually donated beautiful needlepoints and cross stitches to the Alumnae to be raffled off on our Reunion Day with the proceeds going to our Alumnae. Grads line up to purchase these tickets in hopes of winning one of your masterpieces.

This year is no different. Jim has donated 3 needlepoints: one to the Alumnae to be raffled off, one to the classes celebrating their 45 anniversary:

- Class of '71A to be raffled off ONLY to the class of '71A,
- Class of '71B to be raffled off ONLY to the class of '71B.

It's Jim's way of celebrating their combined 45 years as graduates of St. Joe's. Not only has Jim done that, but ALL proceeds from all 3 raffles are being donated to the Alumnae.

On behalf of St. Joseph's School of Nursing Alumnae Association, I want to thank you Jim for everything you have done and present you with our token of appreciation."

Jim's "Thank You Letter"  
 to  
 St. Joseph's School of Nursing Alumnae

"Dear Cheryl

I want to thank you, the Executive and the members of St. Joseph's School of Nursing Alumnae for the mantle clock.

I was not expecting this honour. Every time I look at this gift of gratitude, I cherish it even more.

Thanks  
 Jim Shipley '71A."
